“ *Those we love can never be more than a thought away... for as long as there is a memory they live in our hearts to stay. We are thinking of you all in this time of sorrow, may your memories be sweet. Dave, May all the warm and special memories you shared with your Grandmother stay with you and bring you comfort through the days ahead!*

“ *Valeria is a very special person and had such an impact on her family. She was the glue that held us all together. She welcomed you, no matter who it was, with open arms and always made you feel loved! I am so grateful that she was a part of my life....definitely too short but she left an impact on my heart that will never be forgotten. Thank you Jim, Linda, Paul, Bob, and Karen for sharing our precious momma with me! My heart goes out to each of you. May God give you strength and comfort during this difficult time and the days ahead. Love and God bless each of you!*
