“*Just saw Velma at Jim Carpenter’s funeral back in March. Had a good but brief visit. I’ve known Velma most of my life, we went to school together, lived in the same neighborhood, attended the same church and youth group. Years later, I got to be her pastor for ten years. I sure have lots of good memories of Velma.*
My heart goes out to Jody and Willy in the loss of their Mom, also the daughters-in-law and grandkids, and her siblings Bill, Larry, Karen and Bob. I wish I could come down for the funeral but am in quarantine for another week.
I am praying for all during this time and know Velma’s desire would be for Jesus to be glorified!

“ I have worked with her for over 20 years and she Became a close friend too my wife and I ! With her love she became my second mom and I became a scrunkle (step uncle too her grandkids) and a good son. I have been blessed too have been into her life and laughed and cried with her and husband (when he was alive) and family. It has been a joy to have her in my heart, (now and forever) I know she is in a better place and will be watching over us until we can see her again in heaven. Jody and I are glad mom had a sister willy even though he thinks I'm the sister.! I love him and jody and their families very much so please pray for them in the healing of their hearts love you all (scrunkle)

“ My memory of Velma goes back to sometime in the early 80's. She used to look over my brother (Scott) and I, while my mother (Mamie) and my father (Jimmy) was at work. I can still picture in my mind playing hide and go seek, or throwing rocks or sticks down the hillside that stood behind a yellow house, in which she lived. I have seen Velma only on a few occasions since I was a young boy. She was always kind hearted and had a smile and laugh that could make you smile or laugh even if you wasn't up to it. I'm sorry to have of heard of her passing. My thoughts and prayers go out to the Martin Family, as well as Jody and Willy.
