“ *Gene and my late husband Don Estep we're close friends. Many times my husband would make a trip to Florida and Gene would go with him. My husband liked to travel and keep up with family so we nicknamed him Willy Nelson. Gene was Willy Nelson's sidekick. He often said he was going to do a Willy Nelson on Sandy. Meaning he was going with Don to Florida. The wonderful thing about it was Sandy was always ok for him to go with her Uncle Don anywhere he wanted to go. Gene often said how much he loved Sandy and I know they really loved each other! He will be greatly missed and always remembered! Aunt Katie Armstrong*
