“ *My sister was a smart, wonderful, and amazing, she loved life, family and friends. She knew what she wanted in life and went for it. Never afraid of anything. Always has the strength to see things through. Loved her kids and grandkids. she had a battle to fight but in the end she has won the victory. She is walking with God. And another flower in his beautiful garden. I love her and to many memories to put on paper. But we had a good time. Will miss you sis love you.*

“ Aunt Virginia, when I was little I remember coming to your house and you were the most elegant lady in my eyes. You were my first vision of a respectful working mother, besides my mother who I love very much also, and I know she loved you with all her ❤️. I remember how stubborn you could be and I remember what a great cook you were. You were such a big personality. I will miss u and I loved you very much.

“ Many fond memories of Aunt Virginia. I enjoyed visiting her very much. Will never forget the adventures and imaginative play while at her house. One of the many beautiful memories is of her cedar bedroom set. Always enjoyed sneaking into her bedroom to touch the beautiful shiny bed posts. My senses enjoyed that ever so distinct smell of cedar. To this very day, whenever I smell cedar it takes me back to the fun times while playing with cousins Gloria, Tammy, and Denise. Love and miss her dearly.
