JB So so sorry to hear of Tim's death. He is with God and is a beautiful angel watching over us all !! He was such a wonderful dad to Wesley, always always by his side taking care of Wesley. He always always had a smile on his face and was always helping others. Was a great mechanic, could fix cars like no other. We will miss Tim so much !! And we hope someone is taking good care of Wesley. We love him so, a sweet boy. Tim's at peace. We will sure miss him. The Beary family, Cross Lanes WV.
