I was so sad to hear this. Your dad was so kind and always had a smile on his face. I loved his and your mom's love story. I remember she would just wait for him to come home. I'm praying your precious memories will help to sustain you and your family during this difficult time.*

“ *It was in 1972 or 1973 when Shelia and I became friends. So lots of great memories with the family. Every time I hear Wylan Jennings it brings back the trips to Myrtle Beach. Walt ❤️ Wylan. He tolerated Shelia and I singing at the top of our lungs with Wylan. I remember many night putting promotion stickers on cigarettes and chewing tobacco packages for him. Walt loved his corvettes and always kept them spotless. I will miss seeing his face around the “hood” 😊*
