“ *I truly believe that your Bright Beacon led me to where I am now and I thank you for that. Although that man made light may be dim, your eternal light will always shine bright leading the way for better tomorrows.*

“ *My mommy was not only my mother but my very best friend. We have had so many adventures over the years. More fun than most ever get to have. She always always had my back. I know how fortunate I was to have such an amazing mom but honestly gonna miss her friendship the most. Life will truly never be the same without her. We were partners in everything we did! I love you mommy with every single piece of my heart.*
