JB

“ *Our families have known each other for ever. My parents knew W. J. and Dorothy as I was growing up. I grew up with Patty and Bill. My father Pal Griffith was a hard working man. He always respected W.J. for the same values. I worked for the company for some time. W.J. came to the office and we would discuss past, present, and future of our lives.*

*We had many meaningful and supportive conversations about life, business, past, our family, and the future. He was always honest and supportive. He always gave me helpful and honest advice..*

*I love you W. J.
