“ Man what can you say about the influence of uncle Bill. Some great memories with him. Great worker, dedicated, takes care of things. He's was the uncle that took me hunting, fishing, camping. Just can't say enough good things about him.

“ I have know Bill for about 65 years. We all grew up on Blue Sulphur Road and while I was friends with his younger siblings I met Bill. I have witness the grace of God in his life. I saw God transform him in to a man of God. I really got to know Bill as his pastor for 10 years. He served with me as a deacon. He always called me "Brother Brent" and we were brothers in the Lord. I have fond memories of Bill and his family. I'll miss seeing him at Mud River Baptist when I get back home. But this I know one day I will see him in heaven and celebrate with him the Grace that brought us home. I am sorry that because of a previous preaching commitment I could not attend his memorial service.
