“ *My deepest sympathy to the Warman Family. PeeWee was more like my brother growing up. We lived at Aunt Pauline's and Uncle Charles's home every summer and every chance we got. The family has forever been in my heart. As years go by without contact and the where about of each of us, I know that even with distant of time and miles, our hearts were forever close because of our history of childhood. Our parents were close as they come and my heart was heavy from the news of losing PeeWee. may God be with you in this time and reflect on the memories that hold us all dear to each other. I love you all! Lisa Reid Hood*
